

## 2019 SPONSORING, MARKETING & ADVERTISING WITH ADVOCIS EDMONTON

Sponsoring events and marketing or advertising with Advocis Edmonton gives you and your company access to many of the country's best financial advisors and planners.

Advocis members represent a broad spectrum of the financial services industry, including insurance, investments and securities. They work closely with their clients in the areas of financial, retirement, estate and succession planning. Advocis members strive to improve and enhance their practical and technical knowledge by attending a variety of industry events and functions. The result is that they, more than any other group, have their finger on the country's financial pulse.

### Benefits

- **To raise awareness of your products and services.** The Advocis Edmonton chapter is a well-connected community of approximately 600 financial advisors. Our members are very active in their local communities
- **To access a dynamic, entrepreneurial market.** Many financial advisors are small business owners and are therefore searching for companies that can improve business efficiencies in a cost-effective manner
- **To gain exposure to financial professionals.** Advocis financial advisors and planners deal with Canada's top financial services companies daily. Let them carry your message and enhance your brand recognition!
- **To develop key business relationships for ongoing growth opportunities.** Advocis financial advisors and planners routinely speak to large numbers of individuals, business owners and community leaders, which makes them great business contacts who are ready and able to help you expand your network.
